Crisps & Nuts

Please ask your server

Whilst we make every effort to make sure our food is prepared in a safe manner, all food is cooked in a kitchen where nuts, seafood & other allergy & intolerance related produce are present. Whilst we ensure all bones are removed from all produce, we cannot guarantee this is always possible. If you or any other member of your party suffer from any serious allergies or intolerances, please make your server aware, & we will endeavour to work with this.
